TOMI™ ANNOUNCES MANUFACTURING PARTNERSHIP WITH RG GROUP

BEVERLY HILLS, Calif.--(October 15, 2014)--TOMI™ Environmental Solutions, Inc. (“TOMI” or the “Company”) (TOMZ), a global bacteria and infectious disease control company, announced that RG Group has been named TOMI™’s platinum manufacturing partner for TOMI™ Environmental Solutions decontamination technology “SteraMist” using TOMI™ Binary Ionization Technology (BIT) platform.

Rich Freeh, President and Chief Executive Officer of RG Group, stated, “We are very excited to partner with TOMI™ on their design and manufacture of the SteraMist™ product family. The TOMI™ brand is a global state-of-the-art market leader and our flexible outsourced manufacturing services allow the TOMI™ team to focus on their core innovative design concepts and worldwide marketing. We take their design concept and combine it with our supply chain and manufacturing engineering expertise to produce a robust customer friendly environmental solution.”

RG Group (www.rg-group.com) is the market leader in innovative motion control and fluid handling services. Headquartered in York, Pennsylvania, RG Group has been providing industrial and commercial customers hydraulic, pneumatic and electromechanical services for more than 50 years.

Commenting on this partnership, Dr. Halden Shane, TOMI’s Chairman of the Board and Chief Executive Officer, stated, “.I could not be happier sharing a partnership with RG, our honest communications has lead to excellence in our products, RG’s management and quality production consistently meets our customers requirements. We are now participating in a parallel manufacturing and R &D process. Our innovative design process and RG’s engineering expertise has allowed TOMI™ to provide our customers with a quality product. RG applies the highest of standards and is ISO 9001 certified”.

Terms of the contract were not disclosed...

About TOMI™ Environmental Solutions, Inc.

TOMI™ Environmental Solutions, Inc. (TOMZ) is a global bacteria decontamination and infectious disease control company, providing green energy-efficient environmental solutions for indoor surface decontamination through manufacturing, sales, servicing and licensing of TOMI’s Hydrogen Peroxide mist and fog product SteraMist™ that utilizes TOMI’s™ Binary Ionization Technologies (BIT) platform. TOMI™’s products are designed to service a broad spectrum of commercial structures including medical facilities, office buildings, hotel and motel rooms, schools, restaurants, meat and produce processing facilities, military barracks, and athletic facilities. TOMI™’s products and services have also been used in single-family homes and multi-unit residences.

TOMI™ also develops training programs and application protocols for its clients and is a member in good standing with The American Biological Safety Association, The American Association of Tissue Banks,

Association for Professionals in Infection Control and Epidemiology, Society for Healthcare Epidemiology of America, The Restoration Industry Association, Indoor Air Quality Association and The International Ozone Association.
