

Pneumatics

- Actuators
- Valves
- Field Bus Modules
- Air Prep
- Dryers
- Vacuum
- Compact Pneumatics
- Accessories

Electromechanical

- Visualization
- Drives
- Controllers
- Motors
- Gearheads
- Actuators
- Electric Cylinders
- Aluminum Framing
- Gantry Systems

Electronic Automation

- Object Detection
- Linear Measurement
- Fluid Sensors
- RFID
- Industrial Networking
- Vision
- Power Supplies
- Accessories

Deceleration and Vibration Isolation

- Industrial Shocks
- Safety Shocks
- Gas Springs
- Hydraulic Dampers
- Velocity Controllers
- Bumpers
- Vibration Damping

Engineered Solutions

RG Group has the expertise to take you from concept to completed product, providing custom design, manufacturing and installation tailored to your project.

Call your customer service representative today to find out more about the full line of automation products!

Electronic Automation

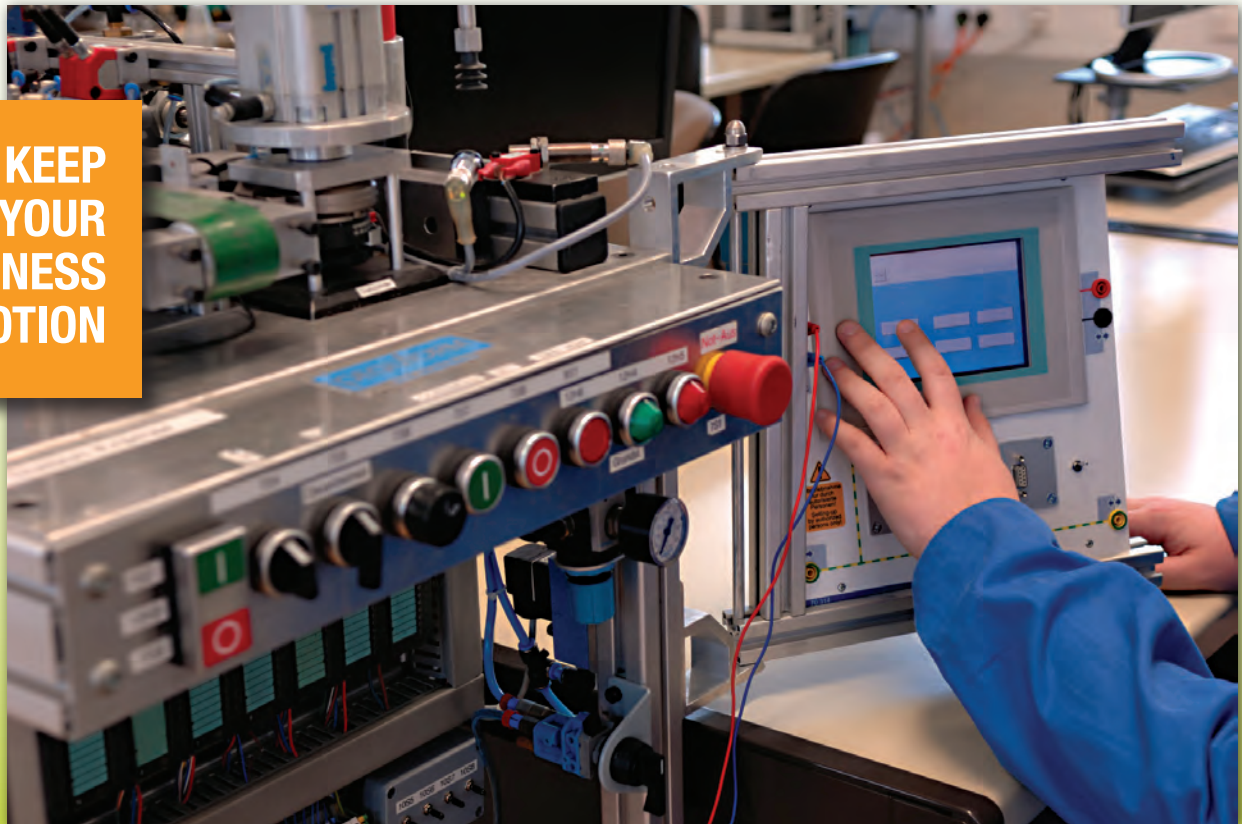

RG Group is committed to bringing you the most comprehensive array of automation and electronic products and technologies, but we're much more than just great parts from quality manufacturers. Our engineers will help specify and evaluate the products you need for assembly applications. Whether your needs are simple or sophisticated, we offer the flexibility and options to meet and exceed them.

- HMI (human-machine interface)
- programmable controllers
- power supplies and liquid level sensors
- pressure transducers and switches
- linear position transducers
- proximity and photoelectric sensors
- motion controllers and sensors
- identification systems
- remote I/O
- pneumatic sub-assemblies

One Company... One Complete SOLUTION

- Hydraulics - Industrial / Mobile / Marine
- Automation - Pneumatics / Electronics
- Electromechanical Systems
- Fluid Connectors - Instrumentation / Industrial
- Engineered Systems and Solutions
- Factory Authorized Repair Service
- Installation and Field Service
- Vendor Managed Inventory Services
